SIR,

In submitting herewith records received with the Asstt. Deputy Commissioner's letter No.A2-3.2688/28-29 dated the 2nd July 1929 (copy enclosed), regarding the taking under Government management the lands situated in the Hindupur taluk of the Anantapur District and endowed to the Sri Adi Narayanaswamy and Anjanevaswami temples at Yellodu in the Gudibanda Sub Taluk, I have the honor to state as follows:--

The enclosed extracts from the Inam Register received from the Tahasildar of Hindupur, show that the marginally noted lands situate in the Hindupur Taluk of the Anantapur District, are endowed to the Sri Adinarayan Swamy and Anjanevaswamy temples at Yellowdu in the Gudibanda Sub Taluk for services therein. It is reported that the persons in enjoyment of the inam lands at present have not been rendering any service to the institutions for the last 50 or 60 years and that the object for which the inams were endowed is not being fulfilled. Both the Amildar and the Sub Division Officer support the request of the devotees and Dharmadarsis of the institutions, that the inam lands may be taken under Government management and

leased out to the best advantage of the institutions.

From the statement of one Krishnappa, one of the ----- occupants of inam land No.364 it is seen that in accordance with Title Deed No.257 dated 5th February 1861, issued by the Inam Commissioner of Madras, the inam lands are being enjoyed by certain persons as managers of the temples. In this --- connection, the Sub Division Officer states that, since the - temples are Government minor Muzrai institutions under the management of the Government of Mysore, the real managers of the temples are the Government of Mysore and not the persons noted in the extracts of the Inam Register, who are neither - managers nor the servants of the temples.

In the circumstances reported by the local officers, the Deputy Commissioner recommends that the Government of Madras may be kindly moved in the matter. I request that needful reference may be made to the Madras Government to resume the lands from the present holders who are reported not to be --- rendering any service to the temples.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

Inams - Religious service - (Anantapur) - Hindupur Taluk - Adinarayanaswami Temple at Yellodu - Transfer of inam lands to the Mysore State - Your letter No.8483/252-1929, dated the 7th October, 1929.

I am directed to state that the inams referred to in the Mysore Durbar's letter forwarded with your letter quoted above were confirmed in seven title-deeds by the Inam Commissioner in the year 1861. The Inam Register shows that the inams covered by Title-Deeds Nos.250, 914,904, 1049 and 1543 were granted "for the service of Adi Narayanaswami" and that the inams covered by title-deeds Nos.257 and 446 were granted "for the support of the pagoda of Adi Narayanaswami". No mention is made in the Inam Register of Anjaneyaswami temple.

2. The enquiry held by the Collector of Anantapur shows that the holders of inams covered by Title Deeds Nos.914, 904, 104 and 1543 are residing in the village in which the temple is situated and are performing worship in the temple. The holders of the inams covered by the remaining three title deeds are said to be rendering the service expected of them, viz., reciting "mantrapushpam" on Sundays in the Magha month to the "Moola Vigraham". In the absence of evidence to the contrary the performence of these services should be held to be sufficient compliance with the conditions of the grant.

3. The inams are more than 60 years old, and should therefore be held to consist of only the assessment on the lands, and not the lands themselves, unless Prima facie evidence that the grants included both the lands and the assessment is forthcoming. Therefore, even if the services are not performed, all that is

SIR,

With reference to your letter No.1869/Muzrai dated 12/14-6-32 requesting to arrange for a further local enquiry by the Sub Division Officer and report in the matter of resuming the lands situated in the Hindupur Taluk and endowed to Sri Adinarayanaswami temple at Yellodu, Gudibanda Sub Taluk, I have the honor to forward herewith a copy of letter No.A2-C.2688/28-29 dated 15-4-33 received from the Deputy Commissioner, Kolar District, giving cover to the detailed report submitted by the Sub Division Officer and opining that as the holders of the Inam lands have been enjoying them without rendering ~~them~~ any service, the same may be resumed to Government and leased out under the Rules.

2. The reports submitted by the Deputy Amildar and the Sub Division Officer explain fully the facts of the case. It may be concluded therefrom that the persons in the enjoyment of the inam lands are not really rendering service. As already stated in this office letter of 1st December '30, the lands may be confirmed to the present enjoyers on full assessment and the assessment collected and handed over to the temple. I beg to request that the Government of Madras may kindly be moved to cancel the Inam tenure of the lands and secure the full assessment of the lands for the benefit of the temple.

VBB (absent from station)

Letter No.A2-C.2668/28-29 dated 15-4-33 from the Deputy Commissioner, Kolar District, to the Muzrai Commissioner in Mysore.

Inam lands - Sri Yellodu Adinarayanaswami temple of Gudibanda Sub Taluk in Hindupur Taluk - Resumption of.

I have the honor to state that in accordance with your Memo No.C.36/29-, dated 25th June 1932 re: the above, the Sub Division Officer, Chikballapur, was directed to make detailed personal enquiry and submit a report in the matter. After enquiry into the case, he submitted a full report (vide No. S.D.C.2020/28-29 dated 6th October 1932 Flag A) stating among other things that the holders of the lands might be allowed to enjoy the lands as usual.

2. It was gathered from the enquiry of the Sub Division Officer that out of the 9 persons examined by him, 5 are the holders of Inam lands and they all say that they are performing the services required of them to the Mulavigraha at Yellodu. They admit that they are residing at Nagaragere, a village about 6 miles from Yellodu where the temple is situated and another is residing at Ananthapur. But it is seen from the Collector's enquiry that all these persons reside at Yellodu where the temple is situated which is not the case as seen from the records. The other 4 persons examined by the Sub Division Officer state that none of the holders of Inam lands has been performing any service to the temple. All these are aged persons, out of them one is a Chambhogue, one is a Dharmadarsi and another is the Archak of the temple.

3. In the sanctioned scale, the items of Manthrapupsham etc., are being separately performed by persons other than the holders of the inam lands in question. The Dharmadarsis have passed a resolution before the Deputy Amildar on 9th December 1931 that the holders of the inam lands have not been performing any puja or service.

The file was again returned to the Sub Division Officer on 1st December 1932 to verify the fact of performance of service in detail during the coming "Maghamasa" and to submit report with the idea that thousands of pilgrims congregate at the temple during Maghamasa and it cannot be surmised how the holders of inams perform their service without being seen by the Dharmadarsis or others.

He has now reported that none of the enjoyers of the temple inam lands in question rendered any service nor were they present during the Jatra held in "Maghamasa" i.e. in February 1933.

The only reference that could be drawn under these circumstances is that the holders of the inam lands have been enjoying the inam lands though they

are not performing any service to the temple. Thus the purpose for which these lands were granted to them is defeated. I therefore recommend that the inam lands may be resumed to Government and leased out under the Rules.

The file of correspondence ending with the Chikballapur Sub Division officer's No. C.I.P.R.192/32-33 dated 26th March 1933 is herein enclosed for reference.

Dated, Bangalore, 25th / 26th September 193[illegible]

From

A.N. Raghava Char, Esq., M.A.,
Financial Secretary to the Government of His Highness the Maharaja of Mysore.

To

The Secy. to the Hon'ble the Revenue Member

Sir,

With reference to your Memo No. 4286 dated 26th May 1930 forwarding copy of letter No. M.S. 861 dated 7th May 1930 from the Government of Madras, Revenue Department in the matter of the marginally noted Service Inam Lands situated in Hindupur Taluk endowed to Sri Adinarayanaswami Temple at Yellodu, Gudibanda Sub Taluk, I am directed to state as follows:

Village	S.No.	Extent	Assessment Rs.	As.	P.
Dhanahalli	215	0-97	2	12	0
anchasamudra	364	2-40	14	14	0
serapura	58	2-55	0	10	0
	81	0-26	1	5	0
	83	2-61	1	0	0
assainpuram	129	0-51	2	9	0
	85	0-31	2	14	0
	278	0-29	1	13	0

It is stated in the letter of the Madras Government referred to above that the holders of Inams covered by Title-deeds Nos. 914, 934, 1049 and 1543 are residing in the village in which the temple is situated, and are performing worship therein while the holders of Inams covered by the remaining three title deeds are rendering the service expected of them viz., reciting "Manthrapushpam" on Sundays in the Magha month to the "Mulavigraham".

As a result of further enquiry made by the Sub Division Officer, Chickballapur on 27th September 1932 at Yellodu in person, it is seen that five out of the nine persons examined by him who are holders of Inam lands say that they are performing the services required of them to the Moolavigraha at Yellodu and that they are not residing at Yellodu where the temple is situated. The other four persons examined state that none of the holders of

the Inam lands has been performing any service to the temple. It is also reported that the items of "Manthrapushpa" etc., are being separately performed by persons other than the holders of the Inam lands in question.

The Dharmadarsis of the temple also have stated before the Deputy Amildar of Gudibanda Sub Taluk on 12th November 1931 that the holders of the Inam lands have not been performing any pooja or service. It is further reported that none of the enjoyers of the temple Inam lands in question rendered any service nor were even present during the Jatra held in the last "Maghamasa" i.e. in February 1933.

It seems therefore clear that the persons in the enjoyment of the Inam lands are not really rendering service. I am to add that, in the circumstances, mentioned in para. 3 of the letter of the Madras Government referred to above, this Government will have no objection to the lands in question being confirmed to the present enjoyers on full assessment and to that assessment being collected and handed over to the temple. I am accordingly to request that the Hon'ble the Resident may kindly be moved to address the Government of Madras to cancel the Inam tenure of the lands and to secure the full assessment of the lands for the benefit of the temple.

I have the honor to be,

Sir,

Your most obedient servant,

Financial Secretary to Government.

Sir,

With reference to your Memo No. 4286 dated 26th May 1930 forwarding copy of letter No.M.S.861 dated 7th May 1930 from the Government of Madras, Revenue Department in the matter of the marginally noted Service Inam Lands situated in Hindupur Taluk endowed to Sri Adinarayana Swami Temple at Kellodu, Gudibanda Sub-Taluk, I am directed to state as follows:-

ge.	S.No.	Extent	Assessment Rs.as.p.

It is stated in the letter of the Madras Government referred to above that the holders of Inams covered by Title-deeds Nos.914, 934, 1049 and 1543 are residing in the village in which the temple is situated, and are performing worship therein while the holders of Inams covered by the remaining three title deeds are rendering the service expected of them viz reciting "Manthrapushpam" on Sundays in the Magha month to the "Mulavigraham".

As a result of further ~~However from the~~ enquiry made by the Sub Division Officer, Chickballapur on 27-9-1932 at Kellodu in person it is seen that five out of the nine persons examined by him who are holders of Inam lands say that they are performing the services required of them to the Moolavigraha at Kellodu and that they are

not residing at Pellodu where the temple is situated. The other four persons examined state that none of the holders of the Inam lands has been performing any service to the temple. It is also reported that the items of "Mantra-pushpa" etc are being separately performed by persons other than the holders of the Inam lands in question.

The Dharmadarsis of the temple also have ~~passed a resolution~~ stated before the Deputy Amildar of Kubibanda Sub Taluk on 12-11-1931 that the holders of the Inam lands have not been performing any pooja or service. It is further reported that none of the enjoyers of the temple inam lands in question rendered any service nor were even present during the jatra held in the last "Maghamasa" i.e. in February 1932.

~~The above considerations lead to the conclusion~~ It seems therefore clear that the persons in the enjoyment of the Inam lands are not really rendering service. I am to add that, in the circumstances, mentioned in para 3 of the letter of the Madras Government referred to above, this Government will have no objection to the lands in question being confirmed to the present enjoyers on full assessment and to that assessment being collected and handed over to the temple. I am accordingly to request that the Hon'ble the Resident may kindly be moved to address

Inams - Religious service - (Anantapur) - Hindupur taluk - Adinarayanaswami temple at Yellodu - Resumption.
Your letter No.10455/253-1929, dated the 6th November 1933.

*****

I am to enclose a statement giving particulars of the in... in the Hindupur taluk, Anantapur District, granted for the sup... of Sri Adinarayanaswami temple at Yellodu in Mysore State. It has been reported to this Government that the enjoyer (Lakshminarasappa) of the inams situated in Hussainpuram and Virapuram villages is residing in Yellodu and rendering the prescribed service. The Dharmadarsi of Sri Adinarayanaswami temple is also reported to have admitted that this is so. In the circumstances His Excellency the Governor-in-Council does not consider that a case has been made out for the resumption of these inams.

2. The enjoyers of the inams situated in Kanchisamudram, Kodihalli and Chilamathur villages state that, according to the longstanding practice and custom, they have been rendering the service i.e., worship and recitation of 'Mantrapushpam' on each Sunday in the month of Magham, and that they are not expected to render worship and recite "Mantrapushpam" on other occasions prescribed by the Mysore Darbar such as Dasara car-festival etc. The available records do not show what exactly is the nature of the service which these inamdars are expected to render and the period during which such service should be rendered. The Dharmadarsi of the temple denies that the inamdars render any service even in the month of Magham while the inamdars say that they do go to the temple during Magham and render the service expected of them. The inamdars allege

that

that the Mysore Darbar support the present pujaris for the reason that the inamdars do not render service on other occasions specified by the Mysore Darbar (Dasara etc.).

3. I am directed to state that cessation of service will have to be definitely established before the inams can be resumed. I am to request that the Mysore Darbar may be asked to conduct further enquiries and furnish definite evidence of such cessation. The statements of the inamdars, the village officers and the Dharmadarsi of the temple are enclosed for reference and return.

SIR,

Resumption of inam lands at Kanchisamudram, Kodihalli and Chilamattur in Hindupur Taluk, endowed to Sri Adi Narayanaswami, Yellodu, Gudibanda Sub Taluk.

With reference to your letter No.1640/Muz.49-29-14 dated 14/16th June 1934 calling for a report on the above, I have the honor to forward herewith the records of further enquiry conducted by the Sub Division Officer, Chickballapur, together with his report received with letter No.A2-C.2688/28-29 dated 5-1-1935 from the Deputy Commissioner, Kolar District.

2. From the records of enquiry it will be clear that no services of any kind are being rendered by any of the persons in the enjoyment of the inam lands in the villages of Chilamattur (T.D.No.250), Kanchisamudram (T.D.No.257) and Kodihalli (Vibhutihalli hamlet T.D.No.446) though they allege that they have been rendering some services in the month of Magha every year. One of them viz., Gundavadhani, resides at Anantapur (T.D.No.250) far away from the Yellodu temple. In another case (T.D.No.257), Lakshmidevamma, mother of Narasavadhani, states that she is not aware what services were being rendered by her husband who died 25 years back or by her son who died 3 years back and that, at any rate, she herself has not been rendering any service for the past 3 years.

3. The other parties (vide margin) who had given statements formerly both before the officers of this Government and the Revenue Inspector, Hindupur, that they have been rendering services to the temple have shifted their ground now and say that they are not bound to render any service to the temple as the title deeds do not mention any service performed. They are not willing to render any such service either, except as dharmakartas.

1. Lakshminarasappa, son of Yogambhatta.
2. Krishnappa
3. Chikvenkatasubba Phatta
4. Narasimha Phatta
5. Venkatalakshmamma, wife of Padmanabha Phatta

4. According to the Inam Register two of these grants are for the support of the pagoda and one for the service of Adi Narayanaswami and all of them have been confirmed in favour of the pagoda and not in favour of any individuals. Again title deeds are issued in favour of the Manager of the pagoda for the support of the pagoda and not in favour of any individual persons. The institution is under the management of the Government of Mysore and the parties in possession of the lands who are not managers of the temple have no right to enjoy them, at any rate on inam tenure.

5. For the foregoing reasons, I beg to request that the approval of Government of Madras, may be kindly obtained to the recommendation made in this office letter of 16-5-1933.

6. The extract of Inam Register obtained from the Collector, Anantapur District, copies of I.D.Nos.257 and 446 produced ~~from~~ by the parties and records of enquiry held by the Revenue Inspector, Hindupur, and Sub Divisional Officer, Chickballapur, are submitted herewith for reference.

I have the honor to be,

Sir,
